ncreased interest, 31st August, 1868...\$ 46,056,559 Thus we see that since the close of the war (30th April, 1865,) the annual interest of the public debt has increased upward of forty-six millions of dollars. This increased annual interest would represent a principal sum exceeding seven hundred and fifty millions of dollars.

terest would regressent a principal sum exceeding seven hundred and fifty millions of dollars.

We repeat, then, it is clear that the Radical policy renders national bankruptey inevitable. That policy regards the rebellion as unsubdued, the States as conquered provinces, still ready for war, and the whites to be kept in subjection by standing armies cording more every year than those of France or England, and with much heavier taxation. The Democratic party proposes a different policy. It regards accession and alevery as forever settled by the war, and by the subsequent action of the Southern States too frequency the subsequent action of the Southern States too grouped the freedment's bureau, disband the standing army, reduce it to a pence establishment, and leave the Southern States too grouped and the standing army, reduce it to a pence establishment, and leave the Southern States to grow the subsequent action of the Southern States to grow the standing army, reduce it to a pence establishment, and leave the Southern States to grow the standing army, reduce it to a pence establishment, and leave the Southern States to grow the subsequent action of the Southern States to frequent spence at the cluster of the south of the subsequent action of the Southern States too frequent spence at the cluster of the lower the subsequent action of the Southern States too frequent spence at the cluster of the lower the subsequent action of the Southern States too frequent spence at the cluster of the lower the subsequent action of the Southern States too frequent spence at the cluster of the lower the subsequent action of the Southern States too frequent spence at the cluster of the lower the subsequent action of the Southern States too frequent spence at the cluster of the lower the subsequent and the standing army, reduce it to a pence establishment, and leave the Southern States too frequent at the cluster of the lower the subsequent action of the Southern States too frequent at the cluster of the lower the subsequent acti "Union white boys in blue."

BOYD WINCHESTER,

FOR THE STATE SENATE-STILL DISTRIC DR. E. D. STANDIFORD,

"The New Rebellion." the term by which Greeley, Fo ney & Co. designate the great popul movement through which the people of the United States propose to deprive the Radical party of the power it has so greatly abused, and to restore the Government to the condition in which it formerly was The idea is sedulously inculcated by the their followers, that the Democratic party now contending for the attainm through the ballot, of precisely the san s for which the rebels contende with the sword. The argument employe by them, if argument it can be called, virtually that the war is not yet over; an their whole energies and talent are brought into requisition to persuade the people that patriotism and the preservation of the Union alike demand that the Democra party shall be defeated in November. To this end every occurrence throughout the country of political interest is distorted. misrepresentation without stint is resorted

As was to be expected, the rank and file of the Radical party eagerly follow the lead thus given them. The cue was all the lesser demagogues wanted; and, nov that they have received it, throughout all the length and breadth of the land the test we shall have the sympathy of every are willing to swear till they are black in Blair would be very much the same thing and signally victorious over the armies deep-mouthed bay from Weshington and New York to cause "Tray, Blanche Sweetheart and all the little dogs" to yell

The other day a political assemble ander the name of a Soldiers' and Sailo Convention, was held in Philadelphia, ever part of the proceedings of which was de signed to impress upon people the idea of the existence of the "new rebellion." that meeting there were, it is true, sor who had been soldiers in the Federal arm out there were a great many more partis demagogues from various parts of the cou-try passing themselves off for soldiers wi had in reality never smelt gunpowder. Strong Radical resolutions were of a course adopted, and strong position taken for Grant and Colfax; but that was not all. Processions were gotten up, and parade through the streets bearing aloft battle flags, and transparencies were displayed fied that this disgracefully discriminating on all sides, upon which were inscrib such mottoes as these: "We vote as we ot!" "We do not forget Libby!" for Seymour as we went for Lee!" An reathed a like spirit, and indicated a like

aid, at the conclusion of his letter accep ing the Radical nomination, "Let us have peace !" Everything goes to show that our vising and executing plans for disturbing the tranquillity of the country and for ex lains to the South was to get them "diffed in the face"? Any one of the scribbling huming buried hostilities. The truth is lical party got into power through calawags would consider a good booting, passion, and prejudice, and the influence of r a tar and feathering, or any similar tonal antagonism; and now, although the war has been over three years, its lead ers see nothing better to trust to than the herefrom he could manufacture a huge revival or creation of the same state of feel nsation lie that would pass with all Radcaldom for evidence, its being in sectional animosity and strife fect peace than can the noxious vapor withstand the blaze of the noon-day sun. The
